

CAMPING RULES

1. To make reservations, contact Solavaca at mhargrave@qwks.com or 254.823.6574. We will send you an email explaining the rules. Reply to that that you got it, read it, and I'll confirm your reservation. Or when you email, just let me know that you have read the rules below.
2. To get to the camping area, follow the sign on the east side of the barn at that gate. The area is marked. Please do not camp outside that area. Print a map from www.solavaca.com (Trail Map) so you know how to find the camping area.
3. It is open camping. Find a spot you like.
4. Do not camp, leave any equipment, or park within 7' of the trail or the dirt roads.
5. Ground fires
 - No ground fires unless express permission is given by the owner.
 - Burn Bans are decreed by the County and are common due to dry weather – strictly observed. There is only one community fire ring. That is the only place where a fire is permitted when authorized. There may be evidence of a small fire ring here and there. DO NOT have a fire in those. I use those for demos from time to time.
 - If a fire has been authorized, the owner will direct you to some wood that you may collect and use. Do not scavenge for, or collect wood from the property except with permission from the owner.
6. NO DOGS or other pets.
7. Collect and take all your trash out with you.
8. EACH MEMBER OF YOUR PARTY MUST SUBMIT A SIGNED WAIVER IMMEDIATELY UPON ARRIVAL. Parent list and sign for your kids. It will speed things up if you will print the waiver from my website and bring it.
9. Respect the property. Preserve the privilege or lose it.

Camping Rates: \$10/night/tent(or auto) RV's are \$15/night (no hookups)

First 3 people in the party are covered by the prices above. Each additional person is \$5/night.

The fee also covers bike trail fee. Helmets are required at all times when on a bike.
