

CAMPING RULES ver win2011

1. To make reservations, contact Solavaca at mhargrave@qwks.com or 254.823.6574.
2. To get to the camping area, follow the sign on the east side of the barn at that gate. The area is marked. Please do not camp outside that area. Print a map from www.solavaca.com (Trail Map) so you know how to find the camping area.

 - Burn Bans are decreed by the County and are common due to dry weather – strictly observed. If a Burn Ban is in place, it is your responsibility to know about it. This link to the County of Somervell usually has a red scrolling notice on the home page with that information on it. <http://co.somervell.tx.us/ips/cms>
 - If the County has no Burn Ban up, but the ranch is tender dry, or extremely windy, there will be a ban posted or notice will be given directly by the owners.
