

Solavaca Ranch

Policies and Rules

Our ranch is privately owned. We have built and share our trails because we trust and support mountain biking and mountain bikers. The following will help you to learn how to protect your invitation to mountain-bike on the Solavaca. I say “protect” because this will only work if all visitors respect and help protect our land and what is on it.

Walking, running, or other activities you may want to pursue here are allowed only by special request.

No camping or overnight stays are allowed. The camping areas are all closed year-round.

1. Stay in the areas that are designated for mountain biking; the trails itself, the visitor area where you park and sign in, and the guest area of tables and chairs for your use. You may want to explore but that is not the deal. Drive and park ONLY at the area just inside the gate where the signage designates.
2. Always sign the waiver before you begin anything else. Pay the fee before beginning your activity.

3. Always wear your helmet if you are astride a bike.
Properly fit and worn.
4. No pets.
5. Please do not leave unattended minors anywhere on the property.
6. DO NOT ALTER, RE-ROUTE, OR MANUFACTURE TRAIL ON THE SOLAVACA. Notify us if there is something in or on the trail that shouldn't be there.
7. In case of emergency, you are allowed to take the shortest possible route back to the visitor/parking area. That should not take you into the areas of our barn and house which are fenced. However, please use your cell phone to call us if you need help of any kind 254.823.6574, or my cell 214.773.4614.
8. Do not disturb or collect any rocks, flora (alive or dead), fossils, or living things from our property.
9. Please help keep the front gate closed when not entering or leaving. We have goats and dogs.
